FROM THE PERSONAL REPRESENTATIVE:

First, let me apologize for taking so long to get out the first *Rite Words* for this year. When I took over in January there were several issues that had to be dealt with right away. Ill. Bro. Atchley's illness caused some

projects to fall behind and catching them up has been an effort ... but our progress is steady.

I want to thank Ill. Bro. Jeff Horton, 33° for taking over as General Secretary in a time of crisis and Lynn Jager for assuming the duties of Special Events Planning and Building Rentals after Peggy left.

To update you on our projects, the one that has caused the most distress is the brick fund-raising for the Cathedral Foundation. While over 350 bricks were sold, it appears that the money was used to pay bills for the Cathedral with no funds set aside for the engraving of the bricks. We are assiduously seeking a solution to this problem and I am committed to seeing the project through to completion, hopefully before the end of the year. Price quotes for engraving the bricks is around \$7,000. Interestingly, this number approaches the actual cost of a laser machine to do the work ... which we could purchase, do the work ourselves and then have the machine for other money-making projects.

The Egyptian Room is nearly finished but the entry way still has considerable work left. A special thanks is hereby sent out to Ill. Bro. Bob Hannon, 33° for a donation for lumber to continue the ceiling panels in the entry way. We are very interested in completing

that effort as we've had a lot of interest in renting that space for Special Events.

Other work in progress includes the conversion of the church to a library. Bro. Bob Kille, 32° and I are building a gothic fan fault ceiling for it and expect the result to be spectacular (Google "Sherborne Abby Choir Ceiling images" to see approximately what it will look like).

The Tuesday Crew is back and continuing to assist in regular maintenance. They could use some more help so if you have a skill ... or want to develop one ... contact Bro. Arnold "Rusty" Rouse, 32°. He could use your assistance and it would be appreciated.

It's shaping up to be an unusually busy autumn and that means Special Events. Lynn will in need of volunteers to help set up for those special events and also for extra staff help during the event. She will be putting together a sign up system for you to volunteer.

Lynn is also working with Bro. Brian Pilz, 32°, K.:C.:C.:H.: on Parking Lot staffing. We are offering our local Blue Lodge Brothers the chance to help work the lot and make some extra monies for their Lodge. Brian will have the details soon.

I know that there is much to do but we should all be proud of our preservation of the Cathedral. Many Scottish Rite Valleys are selling their buildings rather than assume the responsibility for the stewardship of Masonic architecture. The support of our Temple by the membership has been noticed and commented on around the Southern Jurisdiction and it could not be done without you

Fraternally,

Ill. Bro. Rex R. Hutchins, 33°, G.:C.:
Personal Representative, Valley of Tucson

FROM THE SECRETARY'S DESK

It's great to be back as your Secretary! Many thanks to Ill. Bro. Rex Hutchins, 33° G.:. C.: for his support and of course Ill. Eric Leibsohn, 33°, Deputy of the Supreme Council for Arizona for appointing me to this position.

There have been many changes since I last served as secretary. Dealing with our web site and the Rite Words has been a challenge. Fortunately the Scottish Rite Sentinel System hasn't changed much.

The unfortunate part has been seeing how many Brothers have been and will be suspended for non-payment of dues (NPD). This trend has to stop. The 2018 dues cards are in and you can be among the first to have one in your possession. Just send the \$95.00 to the Tucson Scottish Rite.

Lynn Jager has taken over as the Special Event Coordinator for the Tucson Scottish Rite. She has been working hard scheduling events such as weddings and corporate group meetings. Lynn needs your help. If you can be available to help with setup and tear down of these event it would be very much appreciated and a great help in providing additional income for the maintenance of our building. If you can help in any way please call the office at 520-622-8364 or my cell which is 520-260-8360.

The Tuesday Crew is back! Many thanks to Bros. Arnold "Rusty" Rouse, 32°, Jim Moline, 32° K.:.C.: C.:.H.: and Ill. Bro. Gary Plumb, 33° for starting up the Crew this summer. If you would like to join them, they meet every Tuesday at around 9:00 AM and usually work for a few hours. Both Lynn and I have been able to give them projects as there are many things that always need attention.

Thank You!

Beginning in September the office hours will be from 9:AM until 3:PM. The display cases are being handled by Ill. Bro. Bobby Creech, 33° who has been doing a great job maintaining a decent supply of Masonic Family items. You need not wait until the Stated Meeting to purchase items I am always ready to help with your purchases. Yes we do take Visa and Master Card.

General Secretary*

FROM THE SPECIAL EVENTS DESK

I am so excited to coordinate Special Events for you. This beautiful, historic building is a gem ... for the city and the Fraternity ... and I will do my best to provide funds for its continued use. All Special Event rental fees are considered donations to the Tucson Scottish Rite Cathedral Building Foundation, LLC. Of course, only the net proceeds will benefit the Foundation, not the gross amount. What this means is, the more help I get from you, the less I have to pay for help, so more funding goes to Foundation to preserve our historic cathedral. I need you as my partner!

I have had a couple of potential event conversations with Members and their families and I LOVE THAT! This really ought to be the *first* place you think of to hold a party of your own. Besides automatically getting a 50% discount on rental fees (just by being a member), I promise to do my best to help you host the perfect event within your budget. Remember, your fee is actually a donation to "your house." What kind of celebration would you like to plan next?

You can also help by joining my group of "Special Event Volunteers". There are a lot of jobs I need help with:

- Moving tables and chairs, dance floor, equipment
- Setting tables, counting silverware, folding napkins, stuffing sugar packets
- Busing tables, collecting dishes, washing dishes, managing trash, checking restrooms
- Chaperoning events, watching for needs, answering questions (building and fraternal)
- Staying late with and breaking down the room
- Taking the role of "Last Man Out"

Obviously, muscle is certainly needed for tables and

chairs. For those with physical limitations, I get it. Can your spouse work a little harder than you but you want to come anyway? Yippeeee, I bet I could find a job for you, just so you can be part of this endeavor.

My second biggest need is to share the load of final building lockup at the end of the event. Many times this could be close to midnight. As the coordinator, I need to be here for the early morning shift and setup for when the client arrives. Can you take over to hang out during the festivities and be the last one out?

Finally, there are some additional areas that Jeff and I talked about that cross the line between Special Events (Lynn) and Fraternal meetings (Jeff). Here are just a few ways you may also help:

- Cleaning Crew: Inside (table cleaning, chair stains, walls, things beyond normal housekeeping) / Outside (building walls, concrete stains, parking lot, pigeons, windows, weed control, etc.)
- Tuesday Crew: Gary, Jim and Rusty are back in action repairing stuff
- Stage Crew: in addition to the Fraternal use of the stage drops, I have special events that need assistance with lowering them, or even changing them during the event (ballet, and symphony)
- Elevator Crew: limited walking involved, mostly sitting until needed, if needed for handicap guests
- Kitchen Crew: we would like to start serving our own meals at the Stated Meetings and Reunions

Please call me ... I would love to hear your ideas. I am here for you and I hope to see you soon!

Lynn Jager, Special Events Coordinator

LODGE OF PERFECTION

It's a new year, Brothers, and I get the feeling that it's going to quicker than the previous ones. We've got a lot in store and a lot to do hope each of you are planning on having as good a year as I am.

Our September meeting will be held on Thursday the 28th @ 7:30pm. I'm looking forward to seeing everyone after the Summer break. It should be a good meeting since we'll have updates on the last 3 months' activities, some petitions to vote on, updates on the upcoming reunion and some new appointments to meet. The meals are great, but the companionship is even better. Be sure to bring your lady and enjoy a night out of the house.

Our Fall Reunion is set for November 3rd and 4th. We look forward to your participation as a cast member, working behind the scenes or as a sideliner. All are so vitally important to a successful Reunion. Registration begins at 7:30am with the Opening scheduled for 8:00am.

Brethren, I'll see each of you and your lady at our next meeting. Watch the website and Facebook as well as the next issue of the Rite Words for more information about upcoming events and programs. Or better yet, get your information from the Rite source—the Temple in Tucson!

*Bro. Timothy D. Alphin, 32° K.:C.:C.:H.:
Venerable Master*

DIRECTOR OF THE WORK

Thank you to Ill. Bro. Rex Hutchins, 33°, G.:C.: for allowing me to help the Scottish Rite in this position!

The Fall Reunion is just around the corner. Take note of the date—Friday and Saturday, November 3 & 4, 2017.

The degree teams are in the planning stage and will begin rehearsing soon. If you are a Brother who would like to join a team, let me know and I will notify the director of your desires. This applies to the departments as well; Property, Makeup and Wardrobe can always use help. Even if you are not involved in ritualistic work or in a department, we NEED your help sitting on the sidelines as supporters for the Candidates and Degree Teams. Please make an effort ... ESPECIALLY THIS YEAR ... to support your Reunion.

Our Cathedral continues to improve due to the efforts of the many volunteers. We'd like you to become one! If you haven't been to the Temple recently, please come early to the September Stated Meeting and we will be glad to give you a tour.

Get those petitions turned in and let's get to work!

*Bro. Robert C. Richards, 32° K.:C.:C.:H.:
Director of the Work*

FROM THE DEPUTY OF THE SUPREME COUNCIL

Now that the Arizona summer heat is almost over, we have a lot to look forward in our upcoming Masonic year ahead. I have just returned home from an inspirational week in Washington DC

attending Southern Jurisdiction's Biennial Session. This provided a great opportunity for myself and many others to bond with our brethren from around the entire jurisdiction. I must say, we have much more in common with each other than differences. There were many highlights of this session including witnessing several of our members receive the honor of 33rd degree Inspector General Honourary at the DC Masonic Temple. I wish to extend a sincere congratulations to all the members of our Orient receiving honors – both 32 K.:C.:C.:H.: and 33rd degree. (please see list from the Secretary contained herein). This is a very special time for the recipients and very well deserved. Congratulations to all!!!

The theme of this year's session was "The Rough and Smooth Ashlars". We were presented a commemorative coin by the Sovereign Grand Commander featuring on one side a Rough Ashlar and the other side a Perfect Ashlar inscribed with the phrase, "The rules of Masonry in hand to take, and daily progress therein make". As the Grand Commander explained, our character is shaped through the years just as are the ashlar, rough and imperfect. Like those ashlar, we are to constantly strive, through our masonic journey, to chip away at

the rough edges to become smooth and refined. I carry this coin in my pocket as a constant reminder to remain faithful and steadfast in that work.

Membership continues to be one of the most important priorities. It is no secret that our numbers have been in decline for many years and for many reasons including deaths and suspension for non-payment of dues. It is up to each and every one of us to be true ambassadors of the fraternity to help retain and grow our membership. We all need to continue improving our efforts with this endeavor.

If there are financial hardships and one is unable to pay dues – the Almoner is here to assist. No one will be turned away for lack of funds and in concert with the teachings of the craft – the Almoner's fund shall always be available for this purpose.

I look forward to being together with you in Tucson as we go from dark to light in this new season of Masonic activity. Please know that I am here for you and feel free to contact me regarding any subject at any time. Thank you all for the great work you are doing to support Scottish Rite in Arizona and throughout the entire jurisdiction!

Fraternally,

SUMMER VISITORS

In addition to all the other goings on this summer, Jeff and Lynn found that the Cathedral had some “Summer Visitors” in the form of a very large bee hive on the roof. Since the City of Tucson asked and the hive’s inhabitants had not reserved the space, BeeMaster of Tucson was contacted and moved our guests to another area. “All told,” Jeff said, “the bees numbered in the hundreds of thousands. And we didn’t even get one petition from them.”

CALL TO ARMS

We hear it time and time again, another of our Fraternal groups begging for help...or money...or more members. It is easy for us to say, “I have done my service, it is time for others to step up.” But do we ever reach a point when we have completed our service? Of course the answer is “NO.” Our service is done when we at last lay down our working tools and stand before the Great Architect.

The Scottish Rite is no exception to this situation. The Valley of Tucson is always asking for help...or money...or more members. We have to, we not only have a significant membership of Scottish Rite members who count on our existence, we also have the Tucson Scottish Rite Cathedral which counts on our service and support. Nowhere in Arizona is there another building that celebrates our Fraternity quite the way that the Tucson Scottish Rite Cathedral does. We should be endlessly proud of our Cathedral and what it offers to Arizona Freemasonry and we must band together to help preserve it.

I want to congratulate all of our Brothers who have been invested with the Knight Commander Court of Honour at this year’s Biennial Session. As you will soon see, the Investiture Ceremony for the Knights Commander Court of Honour is filled with lessons which reinforce the need for our continued participation.

In the opening remarks of the Lt. Grand Commander, he states of the K.:C.:C.:H.: “It indicates that up to this time your conduct, zeal, and fidelity have been such as to mark you as faithful Scottish Rite Masons. Whether this opinion will prevail depends on a continuation or an increase exercise of those commendable qualities which have earned our of your past efforts...”

During the Ceremony, the Grand Minister of State presents the recipients with the “Synthetic Badge”. While these decorations are seldom worn, it does not mean that we can forget the symbolism they hold. We are informed that we “...are entitled to wear this badge as a trophy secured by days and nights of toil and service in Masonry.”

Lastly the K.:C.:C.:H.: recipients are bound with “the belt of knighthood” by the Grand Commander. This belt is described as follows: “Sometimes it was the belt and the sword, which was given the postulant and sometimes the belt alone. It was to teach the knight that he must ever be ready to do battle for the cause in which he was engaged.”

Our new K.:C.:C.:H.: members will learn these lessons but they apply to all of use. Therefore, I submit to you, my Brothers, that we must now go to battle! We must battle for our cause...of protecting Scottish Rite Masonry in the Valley of Tucson. We must battle for each other and our common way of thinking and acting. Most of all, I ask that we all battle entitlement and apathy. May we never feel that we are entitled to the honors which we have received merely on what we have accomplished in the past, but that we continue to earn them each and every day. Our service is not done...we need to continue to take an active role in our Valley!

Let us focus on making a difference NOW...not later. If you want to take part, but simply do not know where to start or who to ask...let me know. I would be happy to help you find somewhere to start, or to simply work alongside you.

*Bro. Randal S. Jager, 32°, K.:C.:C.:H.:
Treasurer, Valley of Tucson*

KNIGHTS OF ST. ANDREW

Welcome back Sir Knights! As you can see from the other Rite Words, we have a busy year ahead of us. I'm asking each of you to dig out your schedules, planners, cell phones ... whatever you use to remind yourself ... make note of these important activities:

Fall Reunion—we will be doing the Knight of the Brazen Serpent (29th Degree) under Sir Knight Rod Wagoner's direction. SK Rod will be sending the Cast List out by our September meeting. We have the degree divided into many easy parts so if you aren't on the list and want to be, make sure to see SK Rod at the Stated Meeting.

In addition to the degree, we will be performing the Opening, Ring Ceremony and Closing. We need to make sure that we have the proper number of Knights in attendance because it is a quite impressive opening when properly staffed. Plan on practices for those sections as well.

Robert Burns Night—this will likely be the 3rd or 4th Saturday in January. We will need all Sir Knights available to assist. Remember, this is OUR night and has been very successful the last two years. Let's keep that trajectory going!

Parking Lot—SK Brian Pilz has been given the leadership role in the Parking Lot and he really needs our support, especially on Wed. evening. He is also offering some of the duties to our local Blue Lodges so that they can make money for their causes.

Let's discuss these items ... and more ... when we meet again on September 28.
