HUACHUCA SHRINE CLUB

The Shrine Club status has changed from active to inactive by going dark. I stress that the Shrine Club is now dark, NOT, disbanded as has been reported by some.

So, what does this mean? It means that the Huachuca Shrine Club will conduct an annual meeting in October to include the Official Visit by the SABBAR Shrine Potentate and the Divan and hold elections / installation of new Officers to get the Club back to active status; it means that Vidalia onions will be available locally to support SABBAR Shrine; it means that a representative will be available to assist families with help in getting to Shrine Hospitals; it means that the Huachuca Shrine Club will stay represented in the Joint Service Club organization of Sierra Vista by maintaining the Shrine Scimitar sign at the city entrance on Hwy-90; it means that SABBAR Shrine semi-annual Ceremonials, to make new Shriners, will continue to be supported; it means that a listing, not to be lost in the process, of Past Club Presidents, Mounted Patrol and the Shrine Vigilantes Nobles will not get lost; and most important, that Masonic Widows of Shrine Nobles will not be forgotten.

A short explanation of why the Huachuca Shrine Club is going dark:

For the past year, the Shrine Club has held joint meetings with the Cochise Masonic High Twelve Club and during this time efforts were made to get Nobles to step up and get active by serving as Shrine Club Officers. This was unsuccessful, hence going dark was the next option. To maintain a Shrine contact locally, two Nobles have agreed to be points of contact for the Shrine and they are, Noble's Tom Jones and Andy Anderson. All Nobles and Ladies are encouraged to attend the High Twelve Club meetings as to keep in contact with Shrine doings as announcements about SABBAR Shrine activities will be made when appropriate, i.e. onions and

ceremonials. Thank you to all those Nobles and Ladies who have supported the Huachuca Shrine Club for over fifty years here in Sierra Vista.
