# What is Silver Wings?

*Silver Wings is Sabbar Shrine's yearly semi-formal fundraiser for the transportation fund. This special event helps the Shriners raise money to transport children with burn and orthopedic problems to and from Shrine Hospitals at no cost to the families. When one of our 1700 children requires treatment, we transport the child along with a guardian to one of the two California Shriners' Hospitals. This worthwhile endeavor requires the support and generosity of all members of our community. Your tax-deductible contribution to the Sabbar Transportation Fund will help put smiles on more children's faces.*

# Ponderings of the Potentate

III. Sir Richmond Davis  
Sabbar Potentate 2016

October is amongst us and we will be very busy for the next few months. We have a lot of parades and OV's to attend to.

The Shrine/Mason night was every successful. We had 40 people in attendance. We had people who were not a Mason all the

way up to Shriners. It was a very educational night with Craig Gross and Van Elrod speaking on the various levels of Masonry. The food was great! Of course it was, my wife did the cooking.

We also have Trunk or Treat at the end of the month. I have asked the units to either provide candy or \$100.00 to support this community event. Last year we ran out of candy in less than 2 hours and we had a great turn out. We will see if Joe Talvy will dress up again. Everyone is welcomed to come. Just park your car and hand out candy. Come in costume and you can even decorate your car. Betty Alphin is the POC for the event and should you have any question please call Betty. I have received word that a few Nobles were upset with me asking the Units for \$100.00. This is a community event and we as Shriners support our community.

We have received petitions to join the Shrine for the November Ceremonial. Don't forget (and I won't let you) that if you bring in 3 new nobles your dues for 2017 are FREE. I have extended this to offering first responders and active duty military \$25.00 for the Ceremonial. Sitting Worshipful

Masters are still free. This is a perfect time for Master Mason's to become Shriners. Please spread the word.

Sabbar's next parade is in Wilcox on the 1st of October and this is an all unit call out as well as all remainder parades will be.

Sabbar Shrine is in excellent shape. We are financial sound thanks to the help of all of the Divan members. Also self-nominations are going to be at the October stated meeting. Only the person running can make the nominations.

Yours in Faith,

Richmond Davis, Potentate

# Ruminations of the Chief Rabban

Noble Van Elrod  
Chief Rabban 2016

It seems that we just go from being dark for the summer to coming up to full speed for the remainder of the year. As you all know, October is our main month for the parades that we participate in. Almost every week end coming up for the month is planned for one of the local parades that we can show our support for the local and outlying towns parades. Most of these towns depend and look forward to our participation in their events. Let's plan a good turn out for all these events.

October is also the month that the Officers on the Divan need to announce their intention to be a candidate for the next job 'up the line'. This is also the time of year that anyone that has the inclination to be in the leadership of Sabbar to also announce as a candidate for the office you would like to be a candidate for. This decision should not be taken lightly. If you have the desire to help with the leadership of Sabbar, please give your candidacy a serious consideration.

November is also shaping up to be a busy month. We will be having an outreach clinic, ceremonial, silver wings banquet and an OV the last Saturday of the month. The Silver Wings banquet will be attended by the new Imperial Sir, Illustrious Sir Chris Smith and one of the National Patient Ambassadors

from Louisiana will be the guest speaker. Plan on supporting the Silver Wings Banquet and Auction. We promise a good time and we will do a good job supporting our transportation fund.

I look forward to seeing YOU at the next Stated Meeting and also hope you all can participate in the many things planned for the next few months. There and many things planned that are a lot of fun to be involved in and I hope you decide to be here at Sabbar and join the fun.

Yours in faith,

Van Elrod, Chief Rabban

# Assertions of the Assistant Rabban

Noble Joe Talvy  
Asst. Rabban 2016

Well, here we are in our count down months of the 2016 year. At our September meeting we had about 40 Nobles in attendance. I would like to see more of our Nobles come to the meetings and start getting involved.

We have been very busy in September with many Rentals, Bingo, Fish Fry, Karaoke, Gun Show, the Parade in Eloy and our Shrine/Mason spaghetti Dinner.

Bingo has been going very well and we are thankful for those people who support us in this endeavor, both workers and players.

Our Fish Frys are getting more people in attendance with our new menu, thanks to Noble Keith and Lady Marilee who have been so diligent in keeping things going in the kitchen, along with improvements of the kitchen. Our reach in refrigerator went down and a new one was installed on 19 September. We definitely noticed the difference when we do not have the equipment needed to function efficiently.

The Parade in Eloy was a great time, the parade route was not very long but we were enthusiastically greeted by the people and of course all enjoyed the Blue Angels and the Motorcycles performance. My THANKS go out to all the Shriners who took the time to go and participate in the Parade.

The Shrine /Mason dinner was a success with around forty people in attendance, the food was great and no one went home hungry, THANKS to First Lady Pam for all the food she prepared. We had program by Craig Gross, the Grand Senior Deacon of the Grand Lodge of Arizona on the history of Masonry starting in the Seventeen Hundreds and then a video about the Shriners Hospitals and how we help those children with their disabilities presented by our own Chief Rabban Van Elrod, both programs were well received by those in attendance. I heard we have two people that desire to become Masons and two others that will become Shriners, that's fantastic. We will be doing this again in the future.

This is just a reminder that Trunk or Treat is on 29 October and we would like each unit to either donate some candy or some funds to purchase candy as we give out a lot to those children ( and some adults) who come to our function. Just drop off your donation at the Records Office and we (the Divan) will take it from there.

Nobles, thank you for your support and I look forward to seeing you at the next stated meeting on 10 October. This will be the time for self nominations for the Divan positions for 2017.

Yours in Faith,

Joe Talvy, Asst. Rabban

## Treasurer Talk

III. Sir Jeff Horton, PP  
Treasurer 2016

One of my primary duties as your Treasurer is to count the funds received and make the bank deposits on behalf of Sabbar Shrine. I do this with our accountant Dora Butler.

We spend most of our time working on Bingo and insuring we have the funds available for the next Bingo session. Our next effort is verifying the receipts from the

Lounge (Bar) and making sure that we have enough money to insure the bartender has a starting bank for Lounge business each evening the Bar is open.

The rest of our time is spent counting donations to the Transportation Fund, General Fund and Almoners Fund. These three funds are supported by Shrine events, Member Dues, the Bar, and various donations.

Spending this much time dealing with our money gives me an understanding just how much we depend on the support of Sabbar Members to maintain our Shrine.

Nobles we need your help. Bingo is not hard work it just takes some of your time. We also need help with the Gun Shows and building maintenance. I don't mind spending the time counting the money but it's up to you to keep our Shrine

# From Sabbar Kitchen

---

Things are progressing nicely with the changes in the kitchen. Not so well received by some ... but changes are never received by some.

The important part is they are working well and yes, we are getting more and more compliments every week between Bingo and the Fish Fry as to how much better the food is. By the way, Friday nights we are extending the hours. Serving now is from 5 to 7 pm. We close the kitchen at 7pm promptly, sot get there early!

We are having a new and better menu on fir night with breaded fish and the addition of a 3pc fried chicken.

Best you'll ever flop a lip over!

We started the Sept stated meeting, serving the meal in the dining room from a serving line. We will continue with all the stated meeting meals. No more going through the kitchen.

October: ham, sweet potato casserole, baked beans, a salad and dessert.

November: Lasagna, Garlic Bread, Salad and dessert/

December: Meatloaf, Baked Potato, Corn, Salad and dessert.

Please come and support your kitchen!

Keith Krasney, Kitchen Manager

## Director Staff

---

The September meeting has come and gone and the month is going by too quickly. Our next meeting will be Oct 4th.

We will be offering the bus trip to Wild Horse Pass Casino on October 8. Sign up early as spaces do fill up fast. Conact Bill, Marcy or Dave Ryan for reservations. It's the best buy in the town for only \$10 and a lot of fun.

The Director Staff is donating a 58-inch Samsung Smart TV to the Silver Wings Auction. You know

what something like that costs so start saving now to bid on your favorite items.

As you know, the next Ceremonial is Nov 12. We all need to do our part to bring in new members. New members are vital to all of us. They bring to Sabbar:

- New Abilities
- New Loyalty
- New Finances
- New Devotion
- New Sincerity
- New Manpower
- New Enthusiasm

Remember, new Nobles mean much more to us than a gain in numbers or a percentage increase, they are the continued life-blood of Sabbar!

Yours in Faith,

Keith Krasney, President

## Observations

One common thread that brings all human dreams together is the goal of how to exist without sadness. Sadness is a thing everyone wishes to escape.

It seems a great ambition for women and men is to live in happiness. Even though some must seek what they love via sacrifice or selfish means, it becomes a quest that sits eternal in the human experience there is a constant attempt to flee from trouble.

While instituting an escape from a perceived unhappiness, some may live with impatience for the pleasure they seek. Too often they become abashed by not obtaining it post-haste.

“Gratification is seldom rewarded immediately.” That is a skillful lesson for humans to absorb. The misstep is in wanting it, “This instant!” Those folks are forgoing the pleasurable experience of anticipation, the looking forward in wonderment, to an impending event or thing.

When the happening occurs, the encounter confirms how the waiting turned out to be a great compensation for the, “Having it now attitude.” Waiting can become a virtue that brings its own reward. Encountering the joy of standing in awe of that which is coming will result in a happy emotion to be savored, and a bonny good time to hold in your memory
